Professional Photo Day

Corsair Productions is offering
a full day of portrait photography
at your place of business, at no
cost to your company, here's
how it works...

We will come to your location and set up a full portrait studio
available to anyone interested in obtaining a professional head
shot (friends and family are welcome).

Photos can be used for professional trade publications, linkedIn, Facebook
and other on-line profiles.

Pricing is per individual as follows:

- Option 1** \$50 - we will shoot 10-15 photos, one of which will be cropped, re-touched and send to you as a jpeg file suitable for posting or printing.
- Option 2** \$75 - same as option one except you will receive all of the photos (cropped but not re-touched). You then select which one you would like for finishing.
- Option 3** Same as option two, add \$25 for each additional photo that you would like to have finished.

Individual payment to be made at time of service, cash or check only
